

## ARMY PUBLIC SCHOOL PANAGARH

### Introduction of New Subjects and Streams

We are pleased to announce that our school has expanded its academic offerings to enhance the educational experience for our students.

#### **Humanities Stream:**

To strengthen our Humanities section, we have introduced two new subjects:

1. Political Science
2. Geography
3. Applied Mathematics

#### **Commerce Stream:**

To cater to the growing demand for commerce education, we have introduced the Commerce Section with

three new subjects:

1. Accountancy
2. Business Studies
3. Applied Mathematics

Along with the existing subject of Economics.

#### **Availability**

These new subjects will be available for students from this academic session.

Students willing to join, visit the School Office as soon as possible.

(Existing students interested in opting for these subjects are advised to consult with their Class Teachers).

We look forward to empowering our students with these exciting new opportunities.
